

# NURSING

## Real Opportunities

UW-Parkside partners with UW-Milwaukee to offer a Bachelor of Science degree in Nursing. For almost 35 years we have developed a tradition of excellence. Students learn through interactive and engaging experiences to develop as leaders in professional nursing.

We are proud to offer over 160 clinical agency sites, two nurse-managed community nursing centers, and over 100 community partners throughout Wisconsin, which offers students a variety in clinical experience. Clinical locations are offered in both Racine/Kenosha areas.
